

6RU 19" Series

Part Number	Description
WC611	350mm deep wall mount cabinet body
WC613	350mm deep + acrylic door
WC614	350mm deep + steel door
WC618	350mm deep + acrylic door & hinge
WC619	350mm deep + steel door & hinge
WC622	450mm deep wall mount cabinet body
WC623	450mm deep + acrylic door
WC624	450mm deep + steel door
WC628	450mm deep + acrylic door & hinge
WC629	450mm deep + steel door & hinge
WC644	Hinged Frame

12RU 19" Series

Part Number	Description
WC1211	350mm deep wall mount cabinet body
WC1213	350mm deep + acrylic door
WC1214	350mm deep + steel door
WC1218	350mm deep + acrylic door & hinge
WC1219	350mm deep + steel door & hinge
WC1222	450mm deep wall mount cabinet body
WC1223	450mm deep + acrylic door
WC1224	450mm deep + steel door
WC1228	450mm deep + acrylic door & hinge
WC1229	450mm deep + steel door & hinge
WC1233*	600mm deep includes: perspex door & 4 shelf rails (2 sets)
WC1238	600mm deep + acrylic door + hinge Front & rear rails
WC1244	Hinged Frame

- WC**33 has provision for 2 fan unit.

= Available on request in NZ

18RU 19" Series

Part Number	Description
WC1811	350mm deep wall mount cabinet body
WC1813	350mm deep + acrylic door
WC1814	350mm deep + steel door
WC1818	350mm deep + acrylic door & hinge
WC1819	350mm deep + steel door & hinge
WC1822	450mm deep wall mount cabinet body
WC1823	450mm deep + acrylic door
WC1824	450mm deep + steel door
WC1828	450mm deep + acrylic door & hinge
WC1829	450mm deep + steel door & hinge
WC1833*	600mm deep includes: perspex door & 4 shelf rails (2 sets)
WC1838	600mm deep + perspex door + hinge Front & rear rails
WC1844	Hinged Frame

24RU 19" Series

Part Number	Description
WC2422	450mm deep wall mount cabinet body
WC2423	450mm deep + acrylic door
WC2428	450mm deep + acrylic door & hinge
WC2424	450mm deep + steel door
WC2429	450mm deep + steel door & hinge
WC2433*	600mm deep includes: perspex door & 4 shelf rails (2 sets)
WC2444	Hinged Frame

30RU 19" Series

Part Number	Description
WC3022	450mm deep wall mount cabinet body
WC3023	450mm deep + acrylic door
WC3028	450mm deep + steel door
WC3024	450mm deep + acrylic door & hinge
WC3029	450mm deep + steel door & hinge
WC3044	Hinged Frame

Dimensions: 3RU x 483mm x 390mm

Part Number
9023

Usage:

- Cabinets
- All open frames
- Wall mount cabinets 450mm and 600mm deep only

Features:

- Load capacity 30kg evenly distributed
- Available in Black only
- Easily installed
- All fasteners provided

Horizontal Power Rails

5 - Way Horizontal Power Rail

Part Number
9001

Application:

- All 19" rack mount applications
- 1RU minimum height

Feature:

- fixing points to suit 19" mounting channels

10 - Way Horizontal Power Rail

Part Number
9003

Application:

- All 19" rack mount applications
- 2RU minimum height

Feature:

- fixing points to suit 19" mounting channels

1RU Cable Management Ring Panel

Part no.	Fits Cabinet
9045	1RU x 483mm (19")

Application:

- Can be used with all 19" cabinets and wall mount frames.

Features:

- 4 horizontal and 2 vertical combined cable rings can be re-configured.
